*Starting today and through Resurrection Sunday, you will be getting daily devotions from Stacy or one of the Elders regarding the meaning of all the Holy Week activities. They will be emailed to those on the prayer list. If anyone else is interested in receiving them, please let Stacy know.*

*Unfortunately, due to the “shelter-in-place” regulations, we will be unable to have a corporate Good Friday service or an Easter Sunday service.*

**Good News!**

When this crisis is over and we are able to meet corporately again, our very FIRST Sunday back together will be our official Resurrection Celebration! As someone shared with me last week, every Sunday is resurrection Sunday!
